

Updated COVID Plan Saint Benedict Academy

September 2022

In accordance with the Diocese of Manchester and State of New Hampshire COVID guidelines, the following is the updated policy for Saint Benedict Academy.

Masking: masking as well as social distancing are no longer mandatory

Testing: anyone with respiratory or other COVID symptoms should get tested

Positive Test Results: if positive for Covid, students need to isolate for 5 days and may go back to school wearing a mask for another 5 days, provided that symptoms are improving, and they have had no fever for the past 24 hours without using a fever-lowering medication.

For COVID exposure: quarantine is no longer required but exposed individual should wear a mask for 10 days. There is an option to test on day 6 and if test comes back positive, that individual should follow isolation guidelines.
